To the Conſtables and Select Men of Wenham.

According to an Order of the General Court, October 15. 1679.

You are in his Majeſties Name required to collect of your ſeveral Inhabitants rateable, your Towns Proportion to one ſingle Country Rate, amounting to Eleven pounds one ſhilling two pence — to be paid in Grain: And alſo half a ſingle Rate, amounting to Three pounds 18nn ſhillings 7d to be paid in Money; and both to be fully paid in by the firſt of *March* next; and all former Rates to be fully paid in to the Treaſurer forthwith; the Corn to be very good, and clean dreſſed, at the ſame prizes as were laſt year: whatſoever elſe is paid in, is to be at money price, provided that no lean Cattle, Horſes nor Rye be paid: and if any Perſon refuſe to make paiment according to the tenour hereof, you are to levy by diſtraint, for which this ſhall be your Warrant.

Dated in Boſton, Novemb. 5. 1679.

John Hull Treaſurer
